

MEMORANDUM

TO: ATA Staff Members

FROM: Matt Wales, Vice President
Event Services

DATE: Updated January 25, 2023

RE: 2022-2023 Special Hotel Rates

The Event Services Department has established discounted rates with hotels in the immediate vicinity of the new headquarters for ATA guests and staff through 2023. Rates are valid for individual reservations and groups up to ten (10) or less sleeping rooms per night. If you require more than ten (10) rooms per night, please contact Matt Wales at ext. 1710 or MWales@trucking.org.

The Washington, DC metropolitan area experiences high volumes of transient business, causing many hotels to sell out. For this reason, select hotel rates are subject to non-last room availability (NLRA): meaning that should the preferred rate not be available, the best available house rate will prevail. You are encouraged to make reservations as early as possible to secure a room at discounted rates.

These discounted rates are valid through December 31, 2023, with the exception of AC Hotel, valid through September 30, 2023.
